

Degree Navigator (DN)

Degree Navigator is an online degree audit system. It is designed to provide students with information about graduation requirements and academic progress through the curriculum. This system is intended to be used as a guide for students. **For a detailed and specific view of academic progress, curriculum progress and outstanding graduation requirements, all students are strongly urged to use their curriculum worksheets and to meet with the Academic Services Office staff.** Students may access DN by clicking on the link below.

Disclaimer: Degree Navigator is an advising tool designed to help students make informed decisions regarding their academic progress. However, students should still meet with an academic adviser to discuss degree progress. Your Degree Navigator report will help you to forecast degree completion and should be used for planning purposes only. It is not an official transcript of your academic record, nor does it constitute a contract between you and Rutgers, The State University of New Jersey. Verification of college and degree requirements can only be certified by an academic adviser
