General Education Requirements

Students are required to complete twelve credits in “Arts & Science” electives. Six of these twelve credits must be beyond the introductory level chosen from an approved single arts and science major.

Foreign Language Requirement: Students are required to complete three credits from the offerings of the foreign language department, **not necessarily** a course that **requires the speaking** of a foreign language.

Writing Course Requirement. Students are required to complete **one** of the following courses offered by the English Department (989:300, 301, 302, 303) or a Writing Intensive (W) course offered by another department.

Theater, Music or Art Requirement: Students are required to complete three credits from the offerings of the art, music, or theater arts departments. (Courses in speech do not fulfill this requirement.)

Accounting Major Requirements

Business Law II/Business Elective: Students intending to sit for the New Jersey Certified Public Accounting Examination are required to complete six credits in business law and must complete *Business Law II*. Students **not** intending to sit for the Certified Public Accounting Examination may take any business course at the 300 or above level.

Finance or Business Elective: Students intending to sit for the New Jersey Certified Public Accounting Examination are required to complete six credits in finance courses and must complete *a finance elective course*. Students **not** intending to sit for the Certified Public Accounting Examination may take any business course at the 300 or above level.

International Business Elective: Students are required to complete on additional business course numbered 300 or above in the area of management, marketing, finance, ecommerce, or accounting related to multinational issues.
