General Education Requirements

Students are required to complete twelve credits in “Arts & Science” electives. Six of these twelve credits must be beyond the introductory level chosen from an approved single arts and science major.

Foreign Language Requirement: Students are required to complete three credits from the offerings of the foreign language department, **not necessarily** a course that **requires the speaking** of a foreign language.

Writing Course Requirement. Students are required to complete **one** of the following courses offered by the English Department (989:300, 301, 302, 303) or a Writing Intensive (W) course offered by another department.

Theater, Music or Art Requirement: Students are required to complete three credits from the offerings of the art, music, or theater arts departments. (Courses in speech do not fulfill this requirement.)

Finance Major Requirements

Finance Elective: Students are required to complete nine credits, chosen from the following:

52:390:320	Global Financial Markets
52:390:325	Financial Markets and Institutions
52:390:330	Short-Term Financial Markets
52:390:340	Theory of Financial Management
52:390:350	Multinational Corporate Finance
52:390:415	Statistical Financial Modeling
52:390:425	Fixed Income Securities
52:390:435	Derivative Securities
52:390:491-492	Special Topics in Finance

Approved Electives: Two additional courses (six credits) chosen from:

52:390:487	Independent Study in Finance
52:390:497	Finance Internship

Business course at or above the 300 level

Approved CCAS courses in economics, mathematics, and statistics:

50:220:202	Money and Banking
50:220:322	Econometrics
50:220:323	Intermediate Economic Theory: Microeconomics
50:220:324	Intermediate Economic Theory: Macroeconomics
50:220:391	Mathematical Economics
50:220:392	Business Cycles and Forecasting
50:220:397	Industrial Economics: Structure, Conduct, Performance
50:960:337	Managerial Statistics (Intermediate)
50:960:467	Introduction to Sampling
50:960:481/2	Mathematical Theory of Statistics
50:960:490	Experimental Design and Analysis

Any CCAS electives other than those listed above need the written approval of the finance area coordinator.
