<table>
<thead>
<tr>
<th>Course Objectives</th>
</tr>
</thead>
</table>
| • Develop the skills needed by entrepreneurs.  
| • Evaluate successful and unsuccessful new ventures.  
| • Observe entrepreneurs and resource providers.  
| • Aspire to a more impactful new venture.  
| • Test and improve your venture idea.  
| • Discover your business model.  
| • Build tempered confidence.  
| • Broaden your network.  

<table>
<thead>
<tr>
<th>Values</th>
</tr>
</thead>
</table>
| • Identify and pursue your passion  
| • Continuous improvement  
| • Integrity in presentation  
| • Collaborative feedback  
| • Awareness and flexibility  
| • Improve the world  
| • Be fabulous  

<table>
<thead>
<tr>
<th>Grading</th>
</tr>
</thead>
</table>
| • 20% Chapter Self-Assessments. Self-Assessments are available on Sakai under Tests and must be submitted by 5 pm of that class day. If there is a problem, please inform the instructor before that class session. There are no late or make-ups permitted after the deadline. The first two self-assessments (Lesson 3) are practice opportunities and will not count towards the grade.  

- 20% Homeworks. These homeworks should be uploaded to the Sakai Drop Box by 5 pm of that class day. Bring a copy to class for discussion. Instructor will examine the number of timely homeworks uploaded and select some at random for assessing their detail and quality.  

- 20% Participation. The grading scheme that will be used for each class session:  
  0- absent or detracted from class  
  1- attended but did not contribute  
  2- attended and contributed  
  3- attended and contributed deep insights |
- 40% New venture business plan paper. Due last day of class. Fifteen page limit, double-spaced, 12 point font. Follow paper’s sub-headings shown in Lesson 14. Fold homeworks during the term into final paper sections.
