### **GENERAL INFORMATION ABOUT THE CURRICULUM**

- ✓ All business students (*and declared pre-business [006] with 30 or more credits*) should regularly meet with an advisor in the RSBC **Academic Services Office** (located on the 2<sup>nd</sup> Floor BSB; [acadsvcs@camden.rutgers.edu](mailto:acadsvcs@camden.rutgers.edu); call **856-225-6216** to schedule an appointment).
- ✓ Students must complete ALL prerequisites for proper course sequencing. Courses on this worksheet are NOT necessarily listed in order of enrollment. With the exception of the Cross Cutting Categories course, *no one course may be applied to more than one graduation requirement.*
- ✓ Students must complete all forty (40) degree requirements listed and earn a minimum of 120 degree credits to be eligible for the RSBC Bachelor of Science; graduation requirements are listed at: <http://business.camden.rutgers.edu/academicservices/graduationinformation/>.
- ✓ Double major: A double major consists of two majors within the same school or college; RSBC double majors must complete a minimum of 135 degree credits. Accounting is always the primary major when double majoring with accounting.
- ✓ Dual major: A dual major consists of two majors from two different schools or colleges (for example: a student that majors in Psychology and in Marketing). Dual majors must complete a minimum of 150 degree credits, and all Major and General Education requirements for both schools.
- ✓ Business Minor: RSBC students are eligible to complete a minor in a business area of study outside of their major; this requires completion of 3 courses—9 credits—in the secondary business area at or above the 300 level. *These courses may be applied to meet Free Electives only and cannot be applied toward other specific degree requirements.*
- ✓ Non-Business Minor: RSBC students are eligible to complete a minor in a non-business (CCAS) area, generally consisting of approximately 15-21 credits in a particular area of study. Specific information about the requirements for a non-business minor is available via the department's webpage and should be planned in consultation with the department undergraduate program coordinator.
- ✓ Major Declaration is required by completion of 60 credits—see your academic advisor for details.
- ✓ RSBC students are required to complete a Pre-Senior Review one-year prior to expected graduation—generally at completion of 75-90 credits.

### **BUSINESS ESSENTIALS**

*Enrollment in this course is restricted to first-time first-year students and transfer students with less than 24 completed credits.* Transfer students may satisfy this requirement with the combination of two introductory management or general business courses (see RSBC advisor for details) OR students may complete three (3) credits in an Advanced Business Elective (school 52: 010, 135, 390, 533, 620, 623, or 630) course at or above the 300 level.
